Digestive Disease Week

Digestive Disease Week® (DDW) is one of the largest meetings for the GI professional and attracts 15,000 physicians, researchers and academicians each year. At DDW you will learn about new developments in your field, attend high-quality educational programs, and network with colleagues. DDW provides a forum for the exchange of groundbreaking research and clinical information in diseases of the liver and biliary tract and in liver transplantation. This will be done in a variety of formats, including plenary and parallel sessions, courses, workshops and state-of-the-art lectures.

Saturday, 8:00am ET - Tuesday, 5:30pm ET
