

Friday, November 4

8:30 – 9:30 a.m.

President's Welcome: New Horizons with Laurie DeLeve MD, PhD, FAASLD

President's Choice Lecture: Xenotransplantation with Mohammad Mohuiddin, MBBS, MD

General Session Ballroom ABC

Kick The Liver Meeting® off right by attending the opening session and hearing from two titans in the field.

9:30 – 10:00 a.m.

Hyman Zimmerman State-of-the-Art Lecture: Mechanisms of Drug-induced Liver Injury with Jack Uetrecht, MD, PhD | Room 146

10:00 – 11:30 a.m.

Hepatitis B SIG Programming: Navigating HBV Treatment and Cure by Starting or Stopping Nucleos(t)ide Analogues (NUC) | General Session Ballroom ABC

Learn about treatment indications for HBV and the best ways to treat chronic HBV in patients with NUC, as well as issues associated with NUC withdrawal.

1:00 – 2:30 p.m.

Public Health/Healthcare Delivery SIG Programming – Dissemination and Implementation Research: Conceptual Framework and Applications in Hepatology

Room 145

Attend this session to learn about this emerging field, focused on the science of improving the adoption and sustainment of evidence-based practices, programs and interventions.

3:30 – 5:00 p.m.

Hepatitis C SIG Programming: Remaining Challenges and Opportunities in Hepatitis C Prevention and Treatment

Room 145

This session will cover the challenges and opportunities in addressing the threat of hepatitis in people who use drugs, those who are pregnant and those who have received disparate care because of racial and ethnic inequities.

Show your liver some love during our first TLM Liver Loop 5K Fun Run. Go to the AASLD Hub in the exhibit hall to find out how to participate!

Monday, November 7

4:30 – 6:00 p.m.

HBV Endpoints Recap | Room 151

Learn about the latest information on endpoints and study design of trials to evaluate novel agents/regimens for chronic HBV and HDV.

6:00 – 7:00 p.m.

Diversity Reception | Marriott Marquis in Room: Union Station

Show your support for the Inclusion and Diversity Committee's efforts! Open to all attendees.

Tuesday, November 8

8:00 – 10:00 a.m.

The Liver Meeting Debriefs | General Session Ballroom ABC

Missed something during the meeting? Catch these sessions to hear a summary of the science news you might have missed!

10:00 – 11:00 a.m.

Late-breaking Oral Session 3 | General Session Ballroom ABC

Don't miss the latest! Be sure to stick around to catch the last of three late-breaking oral sessions on the hottest science in hepatology.

11:30 a.m. – Bon Voyage!

The meeting adjourns. Safe travels back home, and see you next year in Boston!

Educational programming isn't all that TLM has to offer! Hop into a Community Conversation to join informal discussions on a variety of specialty topic areas. Check out the app for more information.

We've gone digital! Download the TLM app for resources and the most up-to-date meeting information.

Earn your continuing medical education (CME) credits while learning from industry experts at our Satellite Symposia sessions. See the app for more information.

Hepatitis Hot List

JOURNEY MAP

AASLD Nov. 4–8, 2022

The Liver Meeting®

Chart your course at the hottest meeting in hepatology!

Friday, November 4

5:00 – 5:30 p.m.

Late-breaking General Session Addition

General Session Ballroom ABC

Hear the globally renowned physician-geneticist Francis Collins, MD, PhD, discuss national advancements in efforts to eliminate HCV.

5:00 – 6:30 p.m.

Exhibit and Poster Hall Reception | Exhibit Hall

Mingle with colleagues and industry representatives while enjoying complimentary beverages and snacks. Open to all attendees! Be sure to visit the AASLD Hub for all your career resources.

6:30 – 7:30 p.m.

PRIDE Reception | Marriot Marquis Dupont Circle Room

Show your pride or your support for the LGBTQ Task Force's first TLM PRIDE reception! Open to all attendees.

Saturday, November 5

8:00 a.m. – 6:00 p.m.

Postgraduate Course | General Session Ballroom ABC

Attend our flagship course and learn from the best! This event is ticketed, so be sure to register in advance to gain access.

1:00 – 2:30 p.m.

NEW! Hepatology Skills Workshop | Room 152

Stay on top of your game with this hands-on elastography session. Learn about VCTE and MRE and their relevance to you and your patients. This course is ticketed, so register now!

6:00 – 7:30 p.m.

Distinguished Awards and Awards & Honors Ceremony

General Session Ballroom ABC

Come pay your respects as the trailblazers who have had a major impact on the specialty receive AASLD's highest honor.

Hear from renowned experts in hepatology! Our Meet-the-Expert sessions are too good to miss. Catch them on Saturday, Sunday and Monday, 8:00 – 9:00 a.m. and 1:00 – 2:30 p.m. These are ticketed events.

Sunday, November 6

9:00 – 10:30 a.m.

Presidential Plenary (Clinical) | General Session Ballroom ABC

Hear presentations on clinical abstracts hand-picked by AASLD President Laurie DeLeve.

9:00 – 10:30 a.m.

Novel Therapies Aimed at Functional Cure of Hepatitis B and D Room 146

Mark your calendars for this can't-miss session! Novel advances in antiviral therapy have renewed hope for achieving a functional cure for HBV/HDV infections. Hear from the experts on the latest clinical trial data and implications for clinical practice.

11:30 a.m. – 1:00 p.m.

Hepatitis C Therapy | Room 207

Learn about the trends in antiviral therapy and clinical management as well as evolving data addressing antiviral therapy for HCV in complex patient populations.

2:00 – 3:30 p.m.

New Insights in Approved HBV Therapies | Room 207

Learn from the experts about evolving science and evidence-based practices in the antiviral management of chronic HBV infection with interferon and oral nucleos(t)ide analogues.

2:00 – 3:30 p.m.

Practice Guidelines Workshop | General Session Ballroom ABC

Hear from the experts on best practices in determining treatment from AASLD's latest Clinical Practice Guidelines and Guidances — and get a sneak peek at our upcoming NAFLD and Hepatocellular Carcinoma (HCC) Guidelines!

4:30 – 6:00 p.m.

Evolving Issues of HBV Epidemiology and Natural History

Room 207

Learn about the latest science and clinical evidence regarding the epidemiology, natural history and clinical outcomes in chronic HBV and implications for public health and clinical management.

4:30 – 6:00 p.m.

Women's Leadership Program | Room 147

It can be tough to get ahead in this world. Attend this session to hear from some of the specialty's most influential women and learn about factors that influence gender disparities in leadership.

7:30 – 11:00 p.m.

Members Reception | National Portrait Gallery

Don't miss the event of the year for all AASLD Members. Not a Member? What are you waiting for? Join today and get access to this swanky soiree.

Monday, November 7

9:00 – 10:30 a.m.

Late-Breaking Oral Session 1 | General Session Ballroom

Hot out of the lab! Don't miss the first of three late-breaking oral sessions to learn about the latest science in hepatology.

9:00 – 10:30 a.m.

HCV Epidemiology: Outcomes and Elimination | Room 145

Learn about key topics including epidemiology, natural history and clinical outcomes through the presentation of papers addressing public health efforts toward HCV micro-elimination and global elimination.

11:30 a.m. – 1:00 p.m.

Viral Hepatitis Elimination Session: Progress of Hepatitis Elimination in the United States and Innovative State-based Strategies | Room 151

Hear about the progress in reaching the World Health Organization's goal of eliminating viral hepatitis and explore innovative strategies at the state level.

11:30 a.m. – 1:00 p.m.

HBV Virology and Immunopathogenesis | Room 147

Learn about the latest advances in the virology and immunology of chronic HBV infection from the field's leading scientists and their implications for future therapies and clinical management.

2:00 – 3:30 p.m.

Late-Breaking Oral Session 2 | General Session Ballroom

Coming in hot! Be sure to attend the second of three late-breaking oral sessions on the latest science in hepatology.

2:00 – 3:30 p.m.

Diversity Workshop: Advancing Health Equity in Research and Practice | Room 151

Connect with colleagues in a spirited discussion about health equity. Gain insights and learn strategies to help enhance equity in your research and practice.

3:45 – 4:30 p.m.

SPECIAL SESSION! Francis Collins, MD, PhD, Acting Science Advisor to the President on the National Strategy for HCV Elimination

General Session Ballroom ABC

Continued on back →

Don't worry if you miss a session on your map. Most sessions will be available on The Liver Meeting Digital Experience™ (TLMdX) platform through February 8, 2023.
