

Friday, November 4

8:30 – 9:30 a.m.

President's Welcome: New Horizons with Laurie DeLeve MD, PhD, FAASLD

President's Choice Lecture: Xenotransplantation with Mohammad Mohuiddin, MBBS, MD

General Session Ballroom ABC

Kick The Liver Meeting® off right by attending the opening session and hearing from two titans in the field.

9:30 – 10:00 a.m.

Hyman Zimmerman State-of-the-Art Lecture: Mechanisms of Drug-induced Liver Injury with Jack Uetrecht, MD, PhD | Room 146

1:00 – 5:00 p.m.

Alcohol-Associated Liver Disease and Nonalcoholic Fatty Liver Disease Joint SIG Programming, Parts 1 and 2: Similarities, Differences and Learning Opportunities

General Session Ballroom ABC

3:30 – 5:00 p.m.

Academic Debates | Room 146

A TLM favorite! Don't miss this program staple as experts from two institutions square off to debate some of hepatology's hottest topics.

5:00 – 6:30 p.m.

Exhibit and Poster Hall Reception | Exhibit Hall

Mingle with colleagues and industry representatives while enjoying complimentary beverages and snacks. Open to all attendees! Be sure to visit the AASLD Hub for all your career resources.

6:30 – 7:30 p.m.

PRIDE Reception | Marriot Marquis Dupont Circle Room

Show your pride or your support for the LGBTQ Task Force's first TLM PRIDE reception! Open to all attendees.

Monday, November 7

4:30 – 6:00 p.m.

Novel Mechanisms and New Frontiers in NAFLD-NASH Pathogenesis | Room 145

In this session, presenters will explore new insights into a metabolic pathway contributing to NAFLD and potential novel therapeutic strategies for the treatment of NASH.

6:00 – 7:00 p.m.

Diversity Reception | Marriott Marquis Union Station Room

Show your support for the Inclusion and Diversity Committee's efforts! Open to all attendees.

Tuesday, November 8

8:00 – 10:00 a.m.

The Liver Meeting Debriefs | General Session Ballroom ABC

Missed something during the meeting? Catch these sessions to hear a summary of the science news you might have missed!

10:00 – 11:00 a.m.

Late-breaking Oral Session 3 | General Session Ballroom ABC

Don't miss the latest! Be sure to stick around to catch the last of three late-breaking oral sessions on the hottest science in hepatology.

11:30 a.m. – **Bon Voyage!**

The meeting adjourns. Safe travels back home, and see you next year in Boston!

Educational programming isn't all that TLM has to offer! Hop into a Community Conversation to join informal discussions on a variety of specialty topic areas. Check out the app for more information.

We've gone digital! Download the TLM app for resources and the most up-to-date meeting information.

Earn your continuing medical education (CME) credits while learning from industry experts at our Satellite Symposia sessions. See the app for more information.

JOURNEY MAP

AASLD Nov. 4–8, 2022

The Liver Meeting®

Chart your course at the hottest meeting in hepatology!

Saturday, November 5

8:00 a.m. – 6:00 p.m.

Postgraduate Course | General Session Ballroom ABC

Attend our flagship course and learn from the best! This event is ticketed, so be sure to register in advance to gain access.

1:00 – 2:30 p.m.

NEW! Hepatology Skills Workshop | Room 152

Stay on top of your game with this hands-on elastography session. Learn about VCTE and MRE and their relevance to you and your patients. This course is ticketed, so register now!

6:00 – 7:30 p.m.

Distinguished Awards and Awards & Honors Ceremony

General Session Ballroom ABC

Come pay your respects as the trailblazers who have had a major impact on the specialty receive AASLD's highest honor.

Hear from renowned experts in hepatology! Our Meet-the-Expert sessions are too good to miss. Catch them on Saturday, Sunday and Monday, 8:00 – 9:00 a.m. and 1:00 – 2:30 p.m. These are ticketed events.

Don't worry if you miss a session on your map. Most sessions will be available on The Liver Meeting Digital Experience™ (TLMdX) platform through February 8, 2023.

Show your liver some love during our first TLM Liver Loop 5K Fun Run. Go to the AASLD Hub in the exhibit hall to find out how to participate!

Sunday, November 6

9:00 – 10:30 a.m.

Presidential Plenary (Clinical) | General Session Ballroom ABC

Hear presentations on clinical abstracts hand-picked by AASLD President Laurie DeLeve.

11:30 a.m. – 1:00 p.m.

NASH: Clinical Trials and Endpoints | Room 146

Attend this session to learn about the latest research in clinical drug development and endpoints in NASH trials.

2:00 – 3:30 p.m.

NASH Therapeutics and Omics | Room 146

In this session, you will learn of advances in omics and treatment strategies in NASH.

2:00 – 3:30 p.m.

Practice Guidelines Workshop | General Session Ballroom ABC

Hear from the experts on best practices in determining treatment from AASLD's latest Clinical Practice Guidelines and Guidances — and get a sneak peek at our upcoming NAFLD and Hepatocellular Carcinoma (HCC) Guidelines!

2:00 – 5:00 p.m.

Clinical Research Workshop | Room 152

This program will provide an overview of various artificial intelligence methods and how they can be applied to answer research questions across the hepatology field.

4:00 – 6:00 p.m.

NEW! NAFLD Consensus Recap | General Session Ballroom ABC

What's in a name? Hear the latest on efforts to reach consensus on NAFLD nomenclature.

4:30 – 6:00 p.m.

Women's Leadership Program | Room 147

It can be tough to get ahead in this world. Attend this session to hear from some of the specialty's most influential women and learn about factors that influence gender disparities in leadership.

7:30 – 11:00 p.m.

Members Reception | National Portrait Gallery

Don't miss the event of the year for all AASLD Members. Not a Member? What are you waiting for? Join today and get access to this swanky soiree.

Monday, November 7

9:00 – 10:30 a.m.

Late-breaking Oral Session 1 | General Session Ballroom ABC

Hot out of the lab! Don't miss the first of three late-breaking oral sessions to learn about the latest science in hepatology.

9:30 am – 10:00 a.m.

Leon Schiff State-of-the-Art Lecture: The Evolution of Disease Modeling in NAFLD with Jacquelyn Maher, MD

Room 146

10:00 – 10:30 a.m.

Hans Popper State-of-the-Art Lecture: Human Liver Organoids for Drug Development in Hepatology with Takanori Takebe, MD, PhD

Room 146

11:30 a.m. – 1:00 p.m.

Diagnostics and Biomarkers of NAFLD | Room 146

Attend this session and hear about innovations in novel biomarkers and new ways of diagnosing disease severity in NAFLD.

2:00 – 3:30 p.m.

Late-breaking Oral Session 2 | General Session Ballroom ABC

Coming in hot! Be sure to attend the second of three late-breaking oral sessions on the latest science in hepatology.

2:00 – 3:30 p.m.

NASH: Clinical and Disease Assessment | Room 146

In this session, you will gain an improved understanding of natural history, diagnosis and assessment of NAFLD.

2:00 – 3:30 p.m.

Diversity Workshop: Advancing Health Equity in Research and Practice | Room 151

Connect with colleagues in a spirited discussion about health equity. Gain insights and learn strategies to help enhance equity in your research and practice.

4:30 – 6:00 p.m.

Advances in Epidemiology, Natural History, Genetics and Proteomics in NAFLD | General Session Ballroom ABC

This clinical and translational session focuses on nonpharmacological topics in NAFLD, including epidemiology, natural history and applications of genomics and proteomics.
