

Walk of Honor – Honor the Past, Support the Future

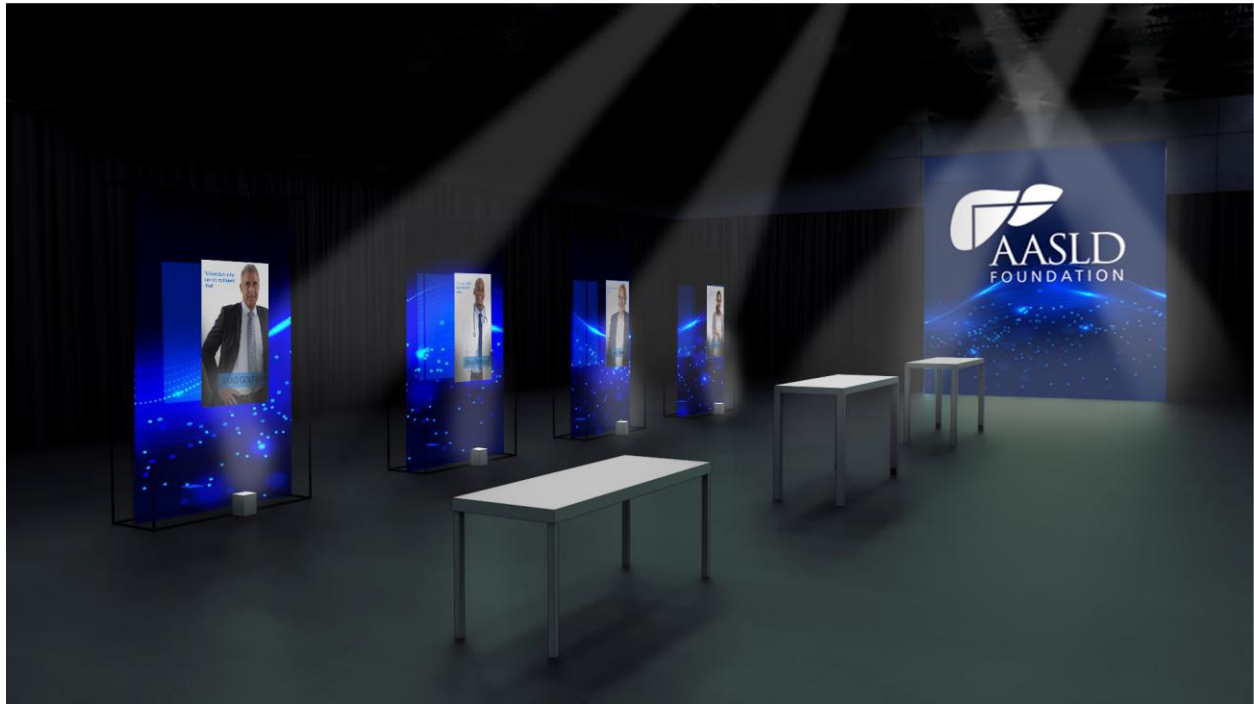

Debating this year, AASLD Members will have the opportunity to recognize and honor a mentor, colleague, or leader in the field of hepatology through a new feature called the Walk of Honor. This display will be located at the entrance to the General Session throughout TLM, debuting during the Honors & Awards Gala on November 7.

With a tax-deductible gift of \$1,000, members can honor someone who has had an impact on your career, efforts, or the field of hepatology in general. By honoring past legacies—individually or as a group—you also strengthen the future of hepatology, as all proceeds directly support AASLD Foundation’s mission to advance research, education, and innovation in liver health by investing in the people who provide care.

Let your tribute inspire the next generation of leaders. Contributions can be made individually, or you may join with colleagues and friends to collectively fund a tribute.

Below is an example of the Walk of Honor display at TLM.

To donate and recognize someone at the Walk of Honor, please visit [Donate Now - Community Hub](#) and select “Walk of Honor” from the drop-down menu in the Tribute section. We will then reach out to you for more details about the honoree.

Specific questions about the Walk of Honor can be directed to Brad Kaufmann at bkaufmann@aasld.org.
