AASLD requires that all individuals involved in the development, management, presentation or evaluation of CME content make full disclosure indicating current, planned or previous (within the last 12 months) relevant financial relationships which you or your spouse/partner have with a commercial interest or a competing or potentially competing commercial interest (e.g. pharmaceutical companies, biomedical device manufacturers, and/or corporations). The screenshot shows the AASLD 2024 Call for Abstracts submission interface. At the top, there is a green header bar with the AASLD logo (American Association for the Study of Liver Diseases) on the left and the text "2024 Call for Abstracts" on the right. Below the header, the submission ID "Submission ID 148550" is displayed. The main section is titled "Abstract Submission Form". A "Please Note" section provides instructions: "When copying text into the form, including the abstract title, please do so from a plain text editor (like Notepad). Please avoid copying directly from a word processing program (like Microsoft Word). This will ensure any special characters in your abstract are preserved without adding any unnecessary formatting such as HTML that can cause issues. Subscripts, superscripts, special characters, and Greek and mathematical symbols are available to add into each field as needed." Below this, there is a "Title:" label and a large text input area. The input area has a rich text editor toolbar at the top with icons for bold, italic, underline, strikethrough, bulleted list, numbered list, link, unlink, and other formatting options. At the bottom right of the input area, a status bar shows "Paragraphs: 0, Words: 0, Characters: 0".

Step F: Abstract

In this step, you will enter the body of your abstract. You are required to complete all sections (Background, Methods, Results and Conclusion) to submit your abstract.

Character Count: You are limited to a maximum of 2500 characters, excluding spaces.

Uploads/Images: You are also allowed to upload **up to one** image/table in addition to the character limit. Uploading an image is optional. The image will always appear at the bottom of the abstract text when included in publications.

There is not a Table builder available for use, if you would like to include a table as part of your submission, please upload it as an image.

Most common image file types are accepted for uploading, but for best results we recommend providing your image in JPEG format. If you have trouble uploading your image, please contact the Help Desk

The "Background:" section has a status bar at the bottom right indicating "Paragraphs: 0, Words: 0, Characters: 0" and "2500 of 2500 total characters left". The "Methods:" section is currently empty.

Below the header, the text "Image/Table Upload (optional; accepted file types: jpg, png)" is displayed. Below this text is a dashed rectangular box containing an "Upload a file" button and the text "Drop file here".

Step G: Payment

Before proceeding to the add authors section, you will be directed to the Payment Step. To make payment, please click on the pay button below. The late breaking abstract fee in 2025 is **\$300 (USD)**. You will be asked to provide standard credit debit/card information or to pay directly through PayPal. Your payment will be processed by AASLD.

Once payment has been submitted, you will be automatically emailed a payment confirmation/receipt and will also see the button below show up on the payment section of your submission to acknowledge the payment was received.

Step H: Adding Abstract Authors

In the Author step, you will provide all authors and co-authors of your work. When you first get to this step, you will see the Author Search tool. This search enables you to locate authors already in our system and add them to your abstract. If they are not already in our system, you will also have the option to add a new author.

Searching for a New Author:

Enter their first name, last name or email address in the search field. If your search results in any potential matches, the results will be provided in a drop-down list directly from the search bar.

If there are no matches to your search, the drop-down list will say “No Results.” To add a new person, click the ADD NEW PERSON button located below.

A screenshot of a 'Person Search' modal window. The window has a light gray background and a green header bar. It contains a search form with three input fields: 'First Name', 'Last Name', and 'Email'. A blue 'Search' button is to the right of these fields. Below the search fields is a large white rectangular area for search results. At the bottom of the modal, there are two buttons: 'Use Selected Person' and 'Add New Person', separated by a hyphen and the word 'or'. A close button (X) is in the top right corner of the modal.

Once you have added your authors, you will then have the opportunity to designate your **presenting author** as well as adjust the order in which the authors are listed.

Explanation of Assigned Roles
