

2026 Awards & Honors Gala

For more than 10 years, the American Association for the Study of Liver Diseases (AASLD) and AASLD Foundation has advanced our shared commitment to the future of hepatology—a future made possible by dedicated supporters like you. Your generosity has fueled innovation, launched careers, and contributed to a legacy in liver disease research and care.

This year, we invite you to take part in a meaningful new opportunity to celebrate those making an impact in the field, elevate your support, and earn well-deserved recognition amongst your peers.

On Saturday, Nov. 7, AASLD will host the Awards & Honors Gala at The Liver Meeting® in Denver to honor outstanding individuals and their achievements shaping the future of hepatology. This evening will recognize our collective progress and spotlight the lasting impact of AASLD Foundation's investments in research, education, and career development—made possible by you.

Because of your demonstrated commitment to our mission, we invite you to join us as a sponsor of this special event. Your name will be included in materials that honor your impact on our legacy and your investment in the future of hepatology. All funds raised through the gala will directly support the work of AASLD Foundation.

Your sponsorship will:

- **Fund research and education awards** for emerging liver disease experts.
- **Launch the next generation** of groundbreaking hepatology research.
- **Celebrate our community** and the career achievements you've made possible.
- **Earn exclusive recognition** and exposure to your peers and colleagues.

Your sponsorship is a demonstration of what we've achieved together and the possibilities ahead. It supports the research breakthroughs, clinical advances, and career developments that will define the next generation of hepatology. It creates a life-changing impact on the patients and communities we serve.

Below are three levels of table sponsorship for your consideration. Please join us for an unforgettable evening that honors achievements, innovations, and advancements in liver health, and be recognized for the legacy we're building together. To purchase a table sponsorship or for more details, please contact Brad Kaufmann at bkaufmann@asld.org. The deadline to secure your sponsorship and be included in the event materials is **October 1, 2026**.

YOUR SPONSORSHIP. YOUR IMPACT.

Select the sponsorship level that best showcases your investment in the future of hepatology.
