

Walk of Honor – Honor the Past, Support the Future

In its second year, the Walk of Honor is once again available for AASLD Members to recognize and honor a mentor, colleague, or leader in the field of hepatology. This featured display will be located at the entrance to the General Session throughout TLM.

With a **tax-deductible gift of \$1,200**, members can honor someone who has made an impact on your career, education, efforts, or in the field of hepatology in general. By honoring past legacies—individually or as a group—you also strengthen the future of hepatology, as all proceeds directly support AASLD Foundation’s mission to advance research, education, and innovation in liver health by investing in the people who provide care.

Let your tribute inspire the next generation of leaders. Contributions can be made individually, or you may join with colleagues and friends to collectively fund a tribute.

Below are images from last year’s Walk of Honor, as well as a rendering of the location of the Walk of Honor at TLM26.

To donate and recognize someone at the Walk of Honor, please visit [Walk of Honor at The Liver Meeting® 2026](#). We will then reach out to you for more details about the honoree.

The deadline to submit a Walk of Honor nomination is **September 15, 2026**.

Specific questions about the Walk of Honor can be directed to Rayanna Roxas at rroxas@aasld.org.
